

FAMILY ON MISSION
Words to Works Ministries
Jacksonville, FL
June 24 – June 30, 2018
Preliminary Information Sheet

WHEN ARE WE GOING?

- Leave after church on Sunday, June 24th
- Return on Saturday afternoon, June 30th

WHERE ARE WE GOING?

- Words to Works Ministries, Jacksonville, FL (part of SBC) to participate in hands-on mission work. Words to Works Ministries has been around for over 20 years and provides a home base for mission projects in the area.
- For additional information go to www.wordstoworks.com.

WHY ARE WE GOING?

- Spreading the message of Jesus throughout a particular community.
- Growing relational community within our own congregation.
- Serving as a workshop, so that we can develop mission efforts in our community.

WHAT WILL WE DO WHILE WE ARE THERE?

Once we have an initial list of interested participants, we can select among the following opportunities:

- day camps
- block parties
- work in a local food and clothing pantry
- active prayer walks
- serving meals in a community soup kitchen
- free time (recreation) for our group

WHERE WILL WE BE STAYING?

On the Words to Works property. We will be sleeping and eating our meals there, having our group time there, as well as doing our mission preparation there.

- Men's sleeping & restroom & showers areas on the first floor
- Ladies sleeping & restroom & showers areas on the second floor

WHO CAN GO?

Here's the great part. ANY AGE is welcomed (they have infants through seniors that participate). This gives us a unique opportunity to not only experience active mission together as a church community, but also for households as well.

There is one more unique aspect of this trip. Our students will be joining us in a 'together but separate' environment. They will be together with us during meals, sleeping, and church group time, but will travel separately as well as have their own mission projects that they will be participating in. This will be a great opportunity for some cross-generational experiences to learn from each other. It will also provide fellowship together that can carry over upon our return.

HOW MUCH WILL IT COST?

- \$200 per person
- \$400 per household

includes lodging, all meals (with the exception free time), ministry coordination, and some supplies. We will carpool and share that expense.

WHAT DO I NEED TO DO TO GO?

- Complete signup form in the Connections Area or on church website www.cornerstonebrandon.org
- Attend one information meeting (Feb. 11th or Feb. 18th)
- Give a \$25 deposit per person or \$50 per household

We have a March 1st deadline, after that spots are limited to space available.
